

**DEPARTMENT OF THE AIR FORCE
AIR EDUCATION AND TRAINING COMMAND**

MEMORANDUM FOR HQ AF/XOS-FP

FROM: 37 TRW/CC
1701 Kenly Avenue, Suite 201
Lackland AFB TX 78236-5103

SUBJECT: Military Working Dog (MWD) Report for Calendar Year 2004

1. This memorandum transmits the MWD Report for CY04 (Atch 1) from the 341st Training Squadron (341 TRS) through channels to the Secretary of Defense IAW PL 106-446. Although the information contained in this report is unclassified, it should not be released outside official DoD channels prior to the Secretary of Defense's submission to Congress. The total number of MWDs leaving the service for all categories (adoptions, transfers, euthanasia, and natural deaths) was 281.
2. Adoptions and Transfers: During CY04 there were 156 former MWDs adopted or transferred. Of these, private individuals adopted 105 MWDs and 51 MWDs were transferred from the DoD to other government and/or law enforcement agencies. An additional 45 MWDs were declared excess and are pending final disposition.
3. Mortality: During CY04, a total of 125 MWDs died while serving on active duty. Of these, 24 MWDs died of natural causes, 76 MWDs were euthanized to prevent suffering caused by debilitating medical conditions, 18 MWDs were euthanized because they were deemed unsuitable for adoption, and 7 MWDs were euthanized because they were not wanted by other governmental/law enforcement agencies nor adoption by the public.
4. In an effort to protect the public and assure a safe environment for former MWDs, the 341 TRS developed checklists and procedures for use by MWD-accountable unit commanders to screen MWDs and individuals interested in adopting MWDs. The checklist and other forms necessary for MWD adoption are currently available on the 341 TRS website: https://dodmwd.lackland.af.mil/adoption_index.htm. Since May 2001, commanders of MWD-accountable units have been responsible for completing MWD adoptions with the assistance of military veterinarians and trainers at the 341 TRS. To date there have been two serious dog bite incidents involving former MWDs.

5. Point of Contact for this correspondence is the 341 TRS/DOL, 1st Lt McKamey, at DSN: 473-4291.

EARL S. CHASE
Colonel, USAF
Commander
